Tire Size: 18.5 x 8.50-8 Turf Tires / Engine: 23 HP Kohler Command Pro

Wireless Remote Control
Throttle Control
360° Nozzle Rotation
Weather Resistant
Durable Belt Clip

Cyclone KB3 Debris Blower

Advantages & Options Offered Exclusively with the Buffalo Turbine Debris Blowers.*

SHORT RECTANGULAR NOZZLE 10" LONG

Gives you the ability to increase air velocity to remove heavy, wet or matted down debris.

LONG RECTANGULAR NOZZLE 19" LONG

Same benefits as the short rectangular nozzle for use when debris blower is skid mounted in a utility vehicle and a longer nozzle is required.

10" DIAMETER ROUND NOZZLE / 10" or 19" LONG

Used to fine tune your blowing application.

FISHTAIL NOZZLE

Utilized for surface drying of golf greens, low spots and paved surfaces. (Easily converts debris blower into a greens fan)

NOZZLE EXTENSIONS (not shown) 12" TO 20" LONG

Puts airflow closer to the ground when used with utility vehicles and pick-up trucks.

SKID MOUNTABLE

Mount in a utility vehicle, truck bed or other vehicles when towing is not an option especially on wet, rough or hilly terrain.

ENGINE

Kohler Command Pro 23
V-Twin
Air Cooled
Smart Choke carburetor
Dual oil drains
Electronic ignition system

All Buffalo Turbine products are manufactured in the U.S.A. and feature a one year (*unlimited hours*) warranty.
